KELSIE

This once shy kitten erupts into an insatiable tigress.

Her little black dress and long stockinged legs make Kelsie one sexy, hot babe.

"I never thought of myself as hot, until I got married and then men came out of the woodwork hitting on me. When I wear my wedding ring, it's like a guy magnet."

"The best sex I've had was after I got married. My ex was a bit of a nerd, tall and thin, but he had a ten inch cock that made up for everything – at least for a while."

"Since the divorce, I've mustered the confidence to go after the men I want. Now I'm the one on the prowl looking for a boy toy I can play with. I want them young and hung. My ex has spoiled my for big cocks. I'm only 5' 2" so a big cock sure feels even bigger!"

"I love fucking to romantic music. I'll put on some Mel Tormé and get my hips into the rhythm of the song. He's nicknamed *The Velvet Fog* and that's just what he puts me into.

One night I fucked from the beginning of his album *Nothing Without You* to the end; only stopping to flip the disc, and to cum a few dozen more times!"

“I haven’t been with a girl yet, but I’m kinda looking forward to it. My best friend’s girlfriend is gay and when we go out together, she’s always suggesting we sleep together, but so far I’ve said ‘no’.”

“The next time I see her however, I’ll be the aggressor and see if she wants to fool around. I think I can be a pretty good pussy licker. Don’t you? If you call me now we can discuss it. Maybe I should just stick to boys. I know how to handle them.”

Yes, I've made more than few adult films. I LOVE sex and that allows me to have it whenever I want and to do whatever I want. And I usually want anal sex. I've had fingers and tongues in there. Cocks in there, dildos, butt plugs, anal beads and just about everything else. Just kidding... but I do LOVE to have my butt hole filled and drilled. So if you're a great butt hole plugger, call me and tell me how you want to do it to me. Over 18 years only please.

Let's talk about sex.

No – let's talk about fucking!

Aubrey

I don't say that to be crude. I want to make the distinction between having sex and fucking. You can argue that they're the same and to most people they are. But fucking is something that happens when the sex gets really hot. You know what I mean!

When I'm in the heat of the moment, I don't yell out 'Come on baby, sex me now.' I don't scream 'Sex me harder.' I don't beg 'Sex me in the ass.' And I don't know anyone that does. When you're having sex, very little is said, maybe some grunts and groans here and there. But when you're fucking, you're screaming out to get fucked.

I know it's just semantics, but if you want to get anywhere with me, you need to know that I fuck. Oh yeah, I have sex once in a while, but that's usually the last time with that person. I need to be fucked!

Think you're that guy?
Think you can handle me?
Think you can get past sex and get right to fuck?
Then call me and say so.

Life's a mystery,
And so am I!

JEWELL

Okay, so I'm in a mask. Why? Because I don't want my husband to recognize me. He likes looking at men's magazines – that's okay with me – but I think he would flip out if he saw his wife in one. I got the idea one night when we were talking about women who do porn and it got me excited.

It all started out so innocent. I decided to pose for boudoir-type photos and I've been giving them to him as birthday presents for the last few years. He likes them a lot. I've been extra sexy and provocative on our anniversary and he likes that too. But I don't know how much he would like me doing this.

My husband's a jealous man. That's why I don't think he would approve of my posing. He'll think the photographer will be trying to fuck me. That didn't happen, but I did get a bit wet when I fingered myself. But enough here. Let me tell you more on the phone. Call me and I'll talk. I promise. 18+

Our favorite letter writer shares his love of

FURRY CARPETS & PUSSY CREAM PIES

with us and we want to share them now with you.

The following letters are all from the same person, Brian, from somewhere in eastern New Jersey. We have received many many of his letters and have even printed some before. But it's occurred to us that Brian just loves our ladies and always has something interesting, if not similar, to say about them and to them. We found this collection of his thoughts quite sexually invigorating. And to Brian – you're a modern day porn poet. – The Editors

Dear 50+,

Aimee is my kind of 50+ sex slut. Lovely sexy mature lady, nice set of tits with big pink nips. Blue eyes freckles on her titties, nice round ass cheeks. Best of all, furry V leading to a hairy lipped pussy. Hot wet pink twat. Love what this gal has got.

EROTIC X-FILM

I LOVE DIRTY MOVIES

Hi, my name is Aimee and I love to watch porn. Yes, I admit it. I love dirty movies. I like everything about them. The acting, the story lines, but especially, I like watching the sex in them. It really turns me on and makes me horny. Some of the best sex I've had has been with a dirty movie playing in the background.

Aimee, object of desire in Brian's letter of April 5, 2010.

What really stiffened my dick is a hot mature chick that's into porn flicks. This is a rare find to have a woman admit she likes watching sex flicks. Most women think porno flicks are just plain sick.

Love to act out hot sex scenes with Aimee as my porno queen. Hot 69 with my face between Aimee's furry twat as she slurps on my cock. Pumping Aimee's rump, plowing furry pussy, cumming all over Aimee's sweet titties.

Aimee is definitely the caliber of hot 50+ sexpot for me. Getting off with a hot 50+ chick as we watch and perform with porno flicks. I would especially love it if Aimee is into hot anal flicks. I lover a woman who is into back door sex flicks.

Dear 50+,

To answer Ms. Roma's question "would you like it if I grew just a little bit of pussy hair just for you?"

The answer is a stiff cock "Yes." Rhea with pussy hair down there is a sight to behold, I sure would stroke off to that. Lovely hairy doughnut between the thighs of this hot MILF is a hairy pussy lover's cream dream. Hot wet poontang soaked hairy MILFs slit stiffens my dick.

Pounding Rhea's hot twat with a creamy pussy pie shot all over her fur carpet. Rubbing in my jism with my dick all over Rhea's is furry slit.

Yes, Rhea you definitely need a fur carpet south of the border covering your dark pink wet slit. Hair and pink pussy lips, Rhea is the way to stiffen my dick.

Dear 50+,

50+ had my dick out in my hand rock hard, pre-cum flowing from the swelled tip as I stroked it busting a nut. Seeing so many MILFy hairy twats, love to see mature hairy pussy.

Buxom Ginger started off the hairy pussy shots with her light colored mane around her lovely pink plump lipped dick slot. Big busted cutie with dark furry pussy Debbie caused me to bust a nut.

Danielle's ass is first class but I fell in love with her big pink lips of her wet slit surrounded by a lovely ring of dark fur. Lovely Linda with the small landing strip of fur above her hot slick, such a nice patch to shoot a hot wad from my stiff dick.

My vote for all-time finest wet furry pussy snatch was saved for last. I thoroughly enjoyed stroking my dick to Gayle's awesome black furry snatch. Such a lovely garden of pubes between Gayle's thighs. Deep pink wet pussy is exposed when hairy lips are opened for business.

Love natural bush covering a mature woman's hot slit. Poontang getting pubes all wet. Sweet scent of hot twat all over a woman's pussy carpet. Engulfing all the senses as I dive between the thighs, deep inside the bush, nose deep in hot wet fur. Licking pink flesh as all of my face is wet hot pussy juices flowing from a well-licked

Dear 50+,

In your ***Best of 50+*** issue, my dick was fully erect to see Angie's hot furry pussy again. Lovely dark mature furry carpet, large dangling pink pussy lips caused me to jerk off my dick.

A lot of men are driven gaga over big tatas, but for me Macy's lovely patch over her snatch got me hard. Thinking about blowing my load all over her pussy's landing strip. Saving the best furry snatch for last - delicious devilish dish Patricia's furry kitty made by dick shoot its wad all over my sheets. Love to pump Patricia's furry kitty till I blow my load coating her carpet with my hot load.

50+ should do a furry pussy issue with all the best mature furry muffs between its pages. Slick slips are okay. Shooting a hot load on pussy fur, creating pussy cream pies is the best.

love hole.

Wet poontang laden pubes are great flavor savers. Love the feel of my hairy nut sac grinding against a wet fur carpet. Hot poontang laden furry lips wrapped around my stiff dick, squishy hot furry pussy feels, sounds so natural. The way hot fucking should sound.

I won't turn down a MILF with a shaved slit if she wants dick but a prefer a woman with fur down there. Also a messy bushy pussy cream pie is my favorite happy ending to fucking a hot 50+.

Fishnet Sally's beautiful tits from letter of May 3, 2010.

Dear 50+,

Fishnet Sally is one hot mature chick with a great set of tits. Pink pert nips still standing erect stiffens my dick.. Wet inviting pink pussy with a pussy hair landing strip. What really trips my trigger is Sally's lovely full round ass. Big full cheeks, lovely brown balloon knot.

Running my tongue between Sally's sweet cheeks down the crack to lick her ass. Tossing Sally's salad, finger in her wet slit, tongue in her ass. Slowly stroking her clit, tongue deep inside her back seat. Licking her heinie hole diddling her clit, caressing sweet cheeks. Ass licked slick and wet lube up my boner to mount Sally to slam her hot mature fanny.

Slowly pushing my boner between Sally's cheeks, cockhead opening up her ass. Pushing my cock deeper inside, shaft now fully inserted in her ass. Start pumping my shaft pounding Sally's sweet ass. Slapping cheek as I give her my meat. Sac slapping cheeks, dick deep inside tight ass, humping rump squeezing titties.

Cum building up in my dick. Thrusting deep. Pressure building, need to release. Pulling out just before I cum, shooting my load all over her bung hole and cheeks, rubbing my dick all around Sally's sweet ass. Cum dripping from her cheeks would look so sweet.

Dear Danielle,

Such a lovely woman with a furry ringed pussy. Dark black mane of fur surrounding hot pink-lipped twat is the real work of art. Pink petal pussy lips, a lovely pink flower. Poontang laden twat soaking black for scent of pussy nectar trapped in a furry ring.

Soaking wet pussy carpet. Poon tang flavor. Savor gooshy and wet love. The squirting feeling all around my dick. Spreading open pink lips to stick my pole deep inside your wet love box. Furry nut sac rubbing pussy juice laden furry carpet. Big pink lips flapping, ball sac slapping hard dick deep inside wet pink slip.

Sweaty wet flesh, poontang soaked fur carpet, ball sac with sweet pre-cum all inside hot wet poontang laden twat. Cum with me Danielle clinching hot twat all around my spasming cock. My cock about to shoot, let go of your hot pussy nectar as I explode all over dark pussy carpet. Hot cum poontang soaking bush, creamy wet pink pussy lips. There would be a hot wet pic.

Juana,

Your such a cute MILFy with a class A booty. Such a lovely little lady with lovely ass cheeks good enough to eat.

Leading you Juana out on a secret trail so I could lick you and nail your fabulous tail. Your big cootchie lips are sweet but I love the back door between the cheeks more. I can bring along a good chum for DP fun having you take a seat on my friend's hard meat. Cheeks stretched wide so I can slip inside, giving you all of my dick between your sweet cheeks. Humping pussy and ass on the grass out in the sun warming our naked bodies.

Building up dripping sweet as my friend and I plow pussy and ass. Fucking hot holes with stiff poles, pussy nectar, sweet pre-cum mixing lubing tight ass.

Blowing loads inside your hot holes, Juana cum dripping past pussy lips, bung hole leaking creamy jizz down onto creamy cootchie lips. Find a cool lake to take a dip washing the cum from well fucked holes.

Juana the sexy mountain MILF meeting you on the trail will spell instant relief. Nothing more refreshing than dipping the cock inside the lovely holes of a mountain MILF.

Dear Candy,

Love to bend you over a saw horse, spread your luscious ass cheeks using my tool to drill your fabulous ass. Bouncing my tool pouch as my shaft drills in and out of sweet ass. Tight sphincter muscles pressing hard against my tool as I penetrate deep between the cheeks.

Pouch sac slapping bouncing cheeks squeezing tits as I give your tight ass all of my meat. Love the sounds of slapping ass cheeks as I nail your tail.

Pounding tight poop chute slamming tight fanny pumping rump, penetrating hot tight balloon knot, feeding the starfish no matter how to put it. I would love to put it deep inside your sweet backseat. Round fleshy bumpers cushion for the pushin', dick deep between the cheeks till I shoot a hot sticky load all over your sweet ass.

When a woman has a sexual appetite like Stephanie's, there's little hope for the lucky man that's about to get fucked by her. But then hope rises to the occasion and he can hold his own. Taken by the prospect of a hot fuck, Gordy starts out slowly and builds his game plan with astute precision and cunning. The sexual joust is about to start. It's something we want to know more about. It is the forbidden, the perverse, the most sought after... booty bang.

anal uprising

Stephanie starts with a blow to the head. She takes in a huge mouthful and Gordy counters with a shove and thrust deep past the teeth and into the throat.

He drops her to the bed and lunges for the pussy and takes his licks. He's down for the count and may be there a while.

There's method to his approach. Warm her up and get her wet. The juices will flow and she'll be primed for the final act. But first, off with her clothes.

Did you follow the action? Pretty hot, huh? Gordy finally reaches his destination and gets his fill of anal pudding.

Deep in her tush, Gordy likes to laze away the minutes before pushing in deep once again. Stephanie screams with pleasure/pain, and wants to do it again. Not thinking about her mouth or pussy anymore, Gordy fixates on her bung hole and puts his best effort into it. The final long deep thrusts make her cum and he finishes deep inside.

But don't let him have all the fun. Call now and see how Stephanie feels about having her butt plugged. Call now if you're over eighteen!

Dr. Sabrina returns with more words for you

Something I don't often do, but just for you heinie lovers, I'll treat you to my backside.

Dr. Sabrina,

How are you doing? Fine I hope, and in good health. Well me just hanging in there. I have a question to ask you. I've been reading a lot of you in the 40+ and 50+ magazine. Well the past months I've been jerk off a lot. I should say 2 to 3 times a day. I think about sex every day. I'm in prison, and I'd be reading a lot of books on how to slow down on what I'd been doing. One night I had a wet dream about you and me. It seemed so real that I had to open my eyes. Some guys in here are real big fans of yours. I seen some new pictures of you and all I could say is WOW! You have a beautiful body. Dr. Sabrina tell me what I should do to stop jerk off so much in one day. Dr. Sabrina can you send me a picture of you. I cannot have no nude picture, but I can have a thong shot of you. Well write me back and I will do the same.

Your friend, Rodney

Incarceration is a tough gig, but men there have the same problems and concerns as the rest of us. If you have questions about the opposite sex or even yourself, then Dr. Sabrina has the answer.

Dear Rodney,

What a sweet man you are. I must first thank you for your compliments and hope that you will join us soon. Since I don't have any thong pictures, there is the one of me in black garter belt and stockings at the top of this page. You could draw a thong on me if that would help.

As far as your jerking off "problem," it's really not a problem, dear man. It won't do you any harm physically, and if you need it emotionally to keep your libido strong, then by all means do it. If you can imagine my hand doing it for you, then that would be the best help I can give you. – Dr. S.

Dr. Sabrina
Sexual Affairs Editor,

While sitting here in this moment, I love reaching out to people all over America and the world. Yes, I am in prison, but I have changed my life over the years, I am a motivational speaker today. I love encouragement and motivating people in their dream goals-vision today and in the future.

But we all are hurting at some time. Emotional, physical, spiritual and sometimes it's very painful, we don't like to talk about it at times. It's a lot of people all over America and the world, some are facing sexual problems in their relation-

ship. Sometimes [they're] married and don't want to talk about it

If you can, please send me any information on sexual problems today, that will help. With my prayer in pamphlets, I am always sending them out helping others. We all need some kind of help today. I appreciate your time because you're a very busy woman. Thank you very much for your time today.

Lawrence, Kentucky

PS: I encourage you today, Dr. Sabrina keep your powerful business going today, because you're helping others around you!!

Dear Lawrence,

I cannot tell you how much I appreciate your letter and your oh-so-appropriate words. It is tough out there today, not only in America, but throughout the world. But that doesn't mean we should lose hope. There is much that can be done to set our lives straight. We must live as good people and take care of ourselves and each other. – Dr. S.

Samuel, Kentucky

Dear Dr. Sabrina,

I like your pictures in the ***50+*** anniversary magazine. I'm 43 and it makes me horny to see you in those poses. I would like to know your age. I hope you write but I know you won't.

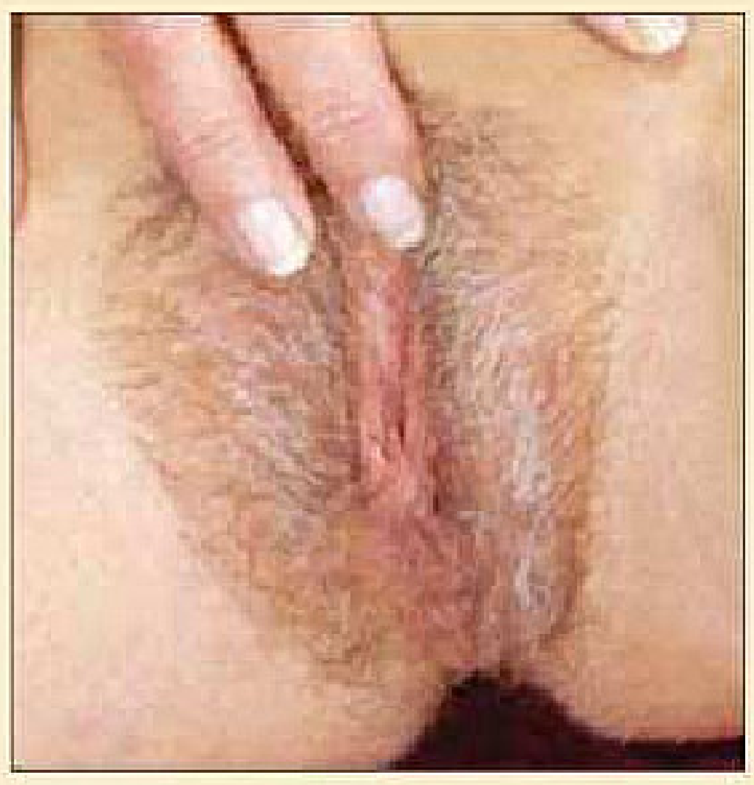
It's all about the Hair Down There

It's the hottest topic in today's sexually charged world. Or at least at the beauty parlors and nail salons of our nation. Do men want their women with a bush or sans-hair? Do women really want to shave it and if they do what do they do down there? It's about time for the low-down.

Hairless pussies have been around for a long time. At least as far back as the ancient Egyptians and Greeks. Was it done for the same reasons as today. We think so. Greek female statues show no hair down there. The famous nudes of the painting masters of the Renaissance are also baldies. But we were born with pubic hair for a reason. What

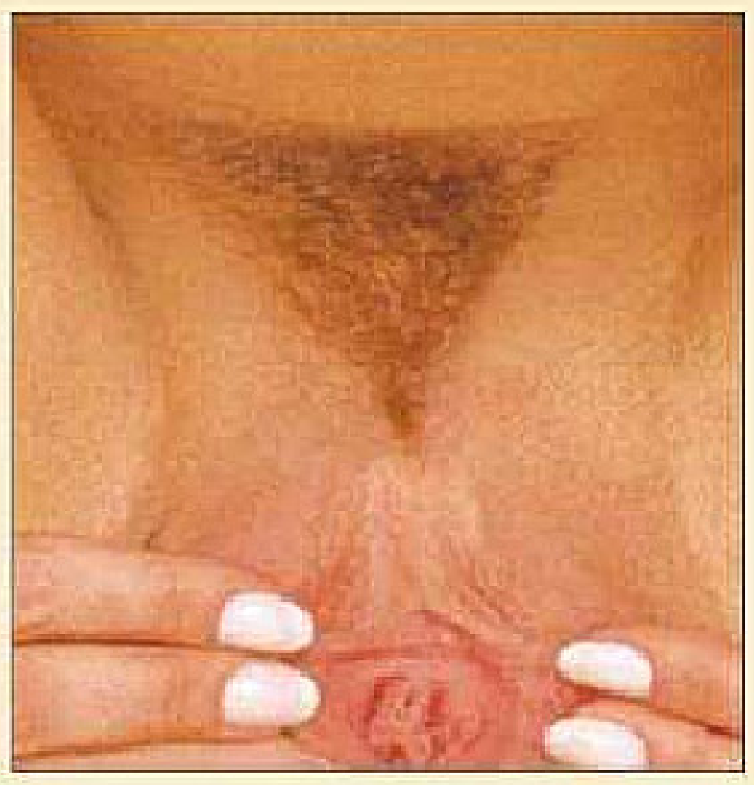
STYLIN'' THE BUSH

With so many possibilities, what's a woman to do? What's best for her mood, or for her lover. We took on these perplexing questions and have compiled a photographic guide to pubic hair styles. The possibilities and names are endless, so we'll concentrate on some of the most popular. So she has decided to trim back her pussy. Good for her for keeping up with the times. Before she starts she'll have to decide what shape works best for her, and you...



Aussie

Yes, you guessed it, it's the shape down under. All the top pubes are hairless and the area over the labia are hairy. This is a variation for those men and women who want to be tickled as they cunny. And saves the most delicate parts from the razor.



Arrow

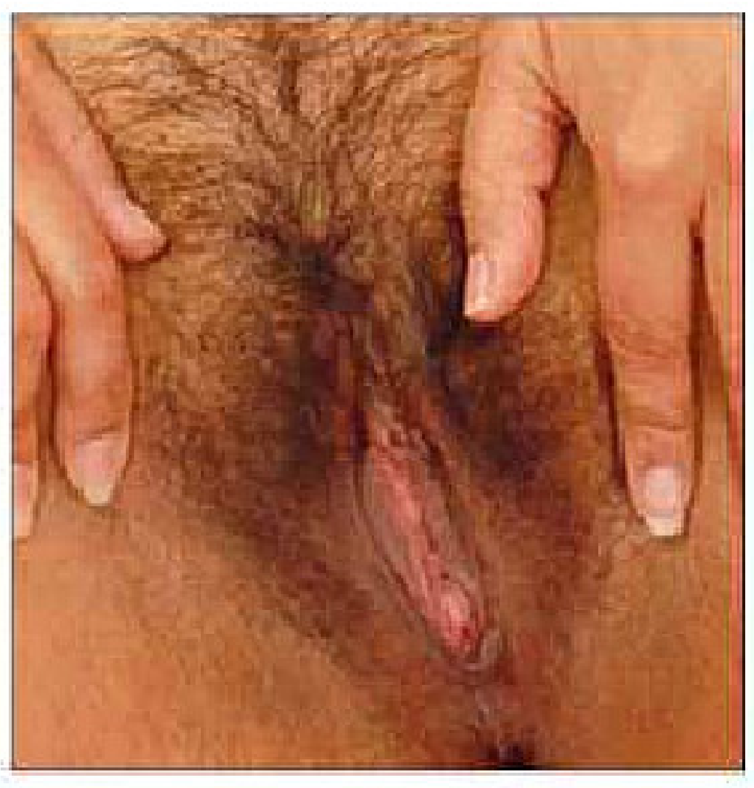
The second most favorite cut is the arrow. It can point up or down depending on the message one wants to impart, but the favorite is pointing down. That's kinda silly because we know our way down there, but maybe someone still needs directions.

A woman is standing at a London bus stop when a sudden gust of wind blows up her skirt.

we do with pubic hair as adults is entirely up to us.

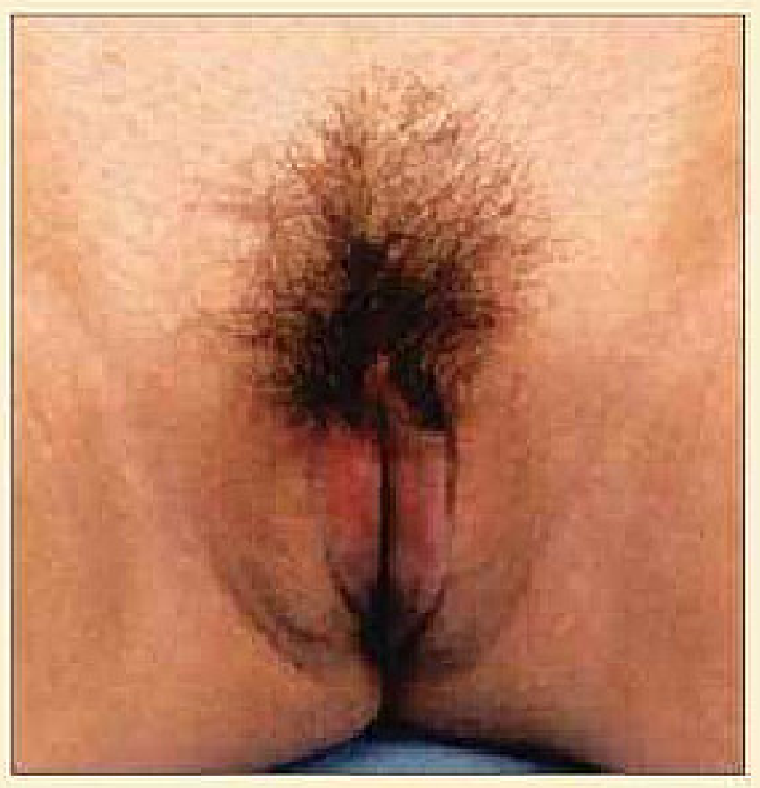
During the "Free Love" days of the hippies in the Sixties and Seventies, a full natural bush was the norm. Even the porn flicks of the time reflected that lifestyle. A the Eighties and Nineties set upon us, the bush began to diminish in size. Disposable razors and lots of advertising began the decline of the natural bush. As porn became more accessible to all, pubic hair got smaller and smaller to the point where a bald pussy ids seen am much today as any point in time. This is not only the case in porn, in the states as well as internationally, but it has permeated into society in general. Pop stars and celebrities openly discuss their nether regions. Paparazzi shoot them as they exit cars and dance at clubs. Those shots command tens of thousands of dollars and are seen by everyone. There are websites devoted to shaving techniques and dos and don'ts when shaving down there.

While it's a public spectacle, at the same time it's a private affair. Since most of our women are not porn stars, why are they shaving? Do we men want it? Do the women think we want it? Do they really want to do it? It's a debate that mostly goes on between women and we men are rarely asked our opinion. But we are here to



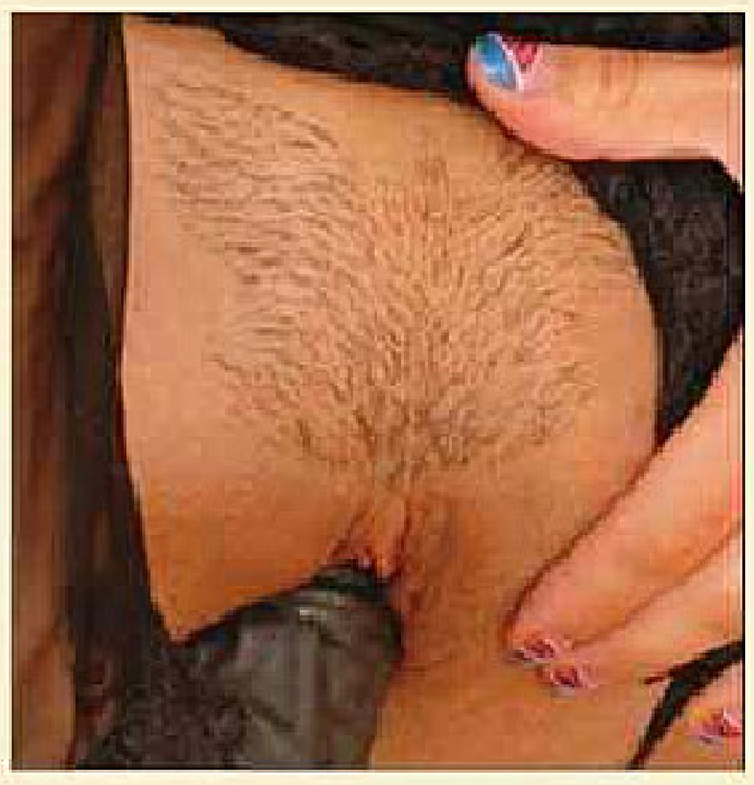
Au Natural

Many men, even today, prefer the Au Natural look because it is so organic. No upkeep needed, and it keeps in the smells so associated with the sex act. If you ladies prefer this, please trim it back every once in a while. No one likes it overgrown.



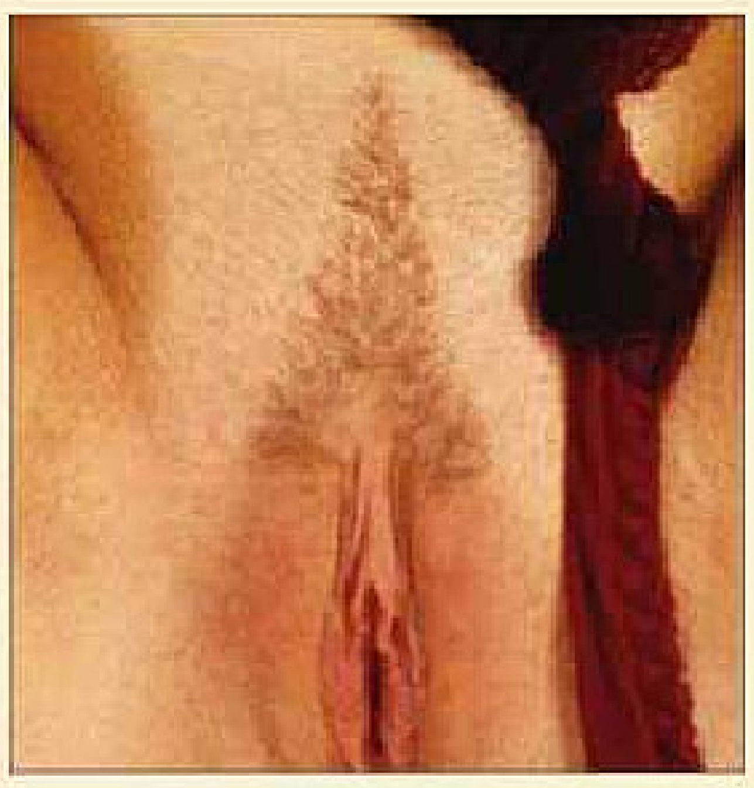
Brazilian

Made famous on and off the beaches of Rio, this tuft of a muff has led to thousands of bikini waxing shops across the country. Able to morph into many shames, the basic cut leaves hair just centered above the genital region.



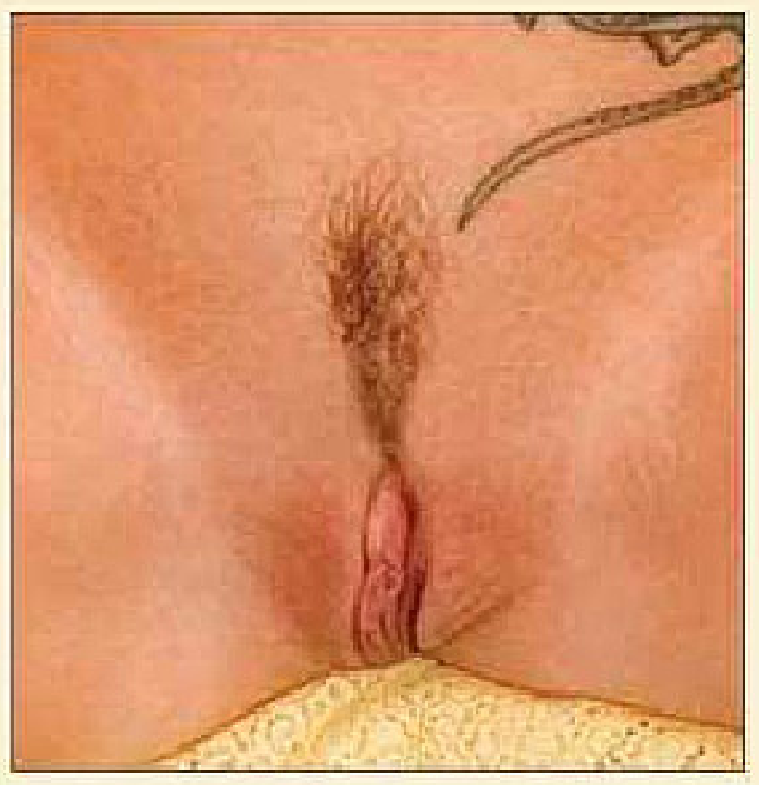
Butterfly

Perhaps one of the most delicate and organic shapes in pubic hair trimming is the papillon. Difficult to do by oneself, it's a great way to spend an afternoon and then take the evening to admire the handiwork. Have fun with it.



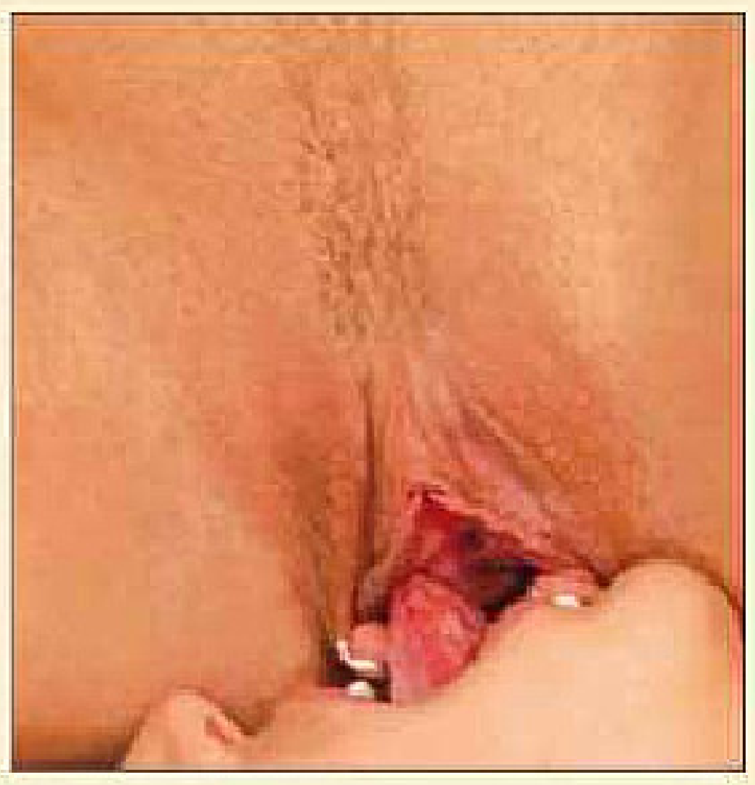
Christmas Tree

One of our seasonal favorites, along with the jack-o'-lantern for Halloween. Another arrow shape that seems to blossom during the winter holiday. With longer hair ornaments and holly are often attached to help ring in the holiday cheer.



Flame

A sizzling statement often reserved for the more adventurous or sexually inheat ladies. When you go down on her and discover the flame, you better be ready for some hot action. If you can't keep up she'll put your flame out and you're in the cold.



Landing Strip

By far and away the most popular of all hair down there styles rivaled only be the clean shaven pussy. Often called the Mohawk if the hair is a bit longer. It's an easy style to maintain and doesn't matter much if it's well kept or not.

The bus driver opens the door at that moment and says, "A bit airy, ain't it?" She replies, "What were you expecting – feathers"

give voice to men on this super important subject.

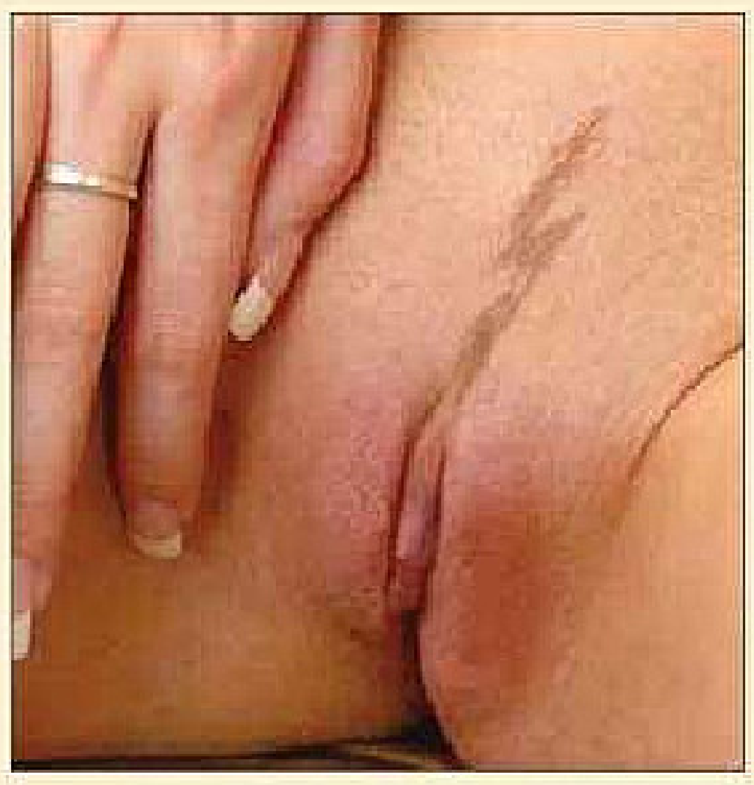
Billy in Dallas likes his women au natural. " I want to feel that hair down there. It's a different texture than the rest of the body. If I want to rub my nose on bare skin, I can find it on 98% of her body. Leave it alone." Axel in Phoenix also digs the bush. "My lady likes it when I play with her pubes. I like to twirl her hair into little ringlets, pull on it when I'm going down on her, and above all, she likes it when I pull my fingernails across it. She says it makes her tingle."

On the other side, some men want none at all. Ashe in Boston is a bare pubes dude. "I don't want anything down there to get in the way of my tongue. I really don't care for the smell so no hair makes it easier for me to go down on her." Samuel in Miami is the same. "Down here, the humidity gets to the pubes really fast and if the lady is clean shaven she can stay fresher longer. I like the smoothness of a cleans haven pussy. It rocks."

As you can see the debate goes on. There is no right or wrong. Just what is right for you. Shaving a pussy is really fun for us guys, too. And if you do a bad job, no one else (you hope) will see it, and it grows right back. Don't be afraid to ask your lover to shave for you, if she doesn't already. It's what our society has come to.

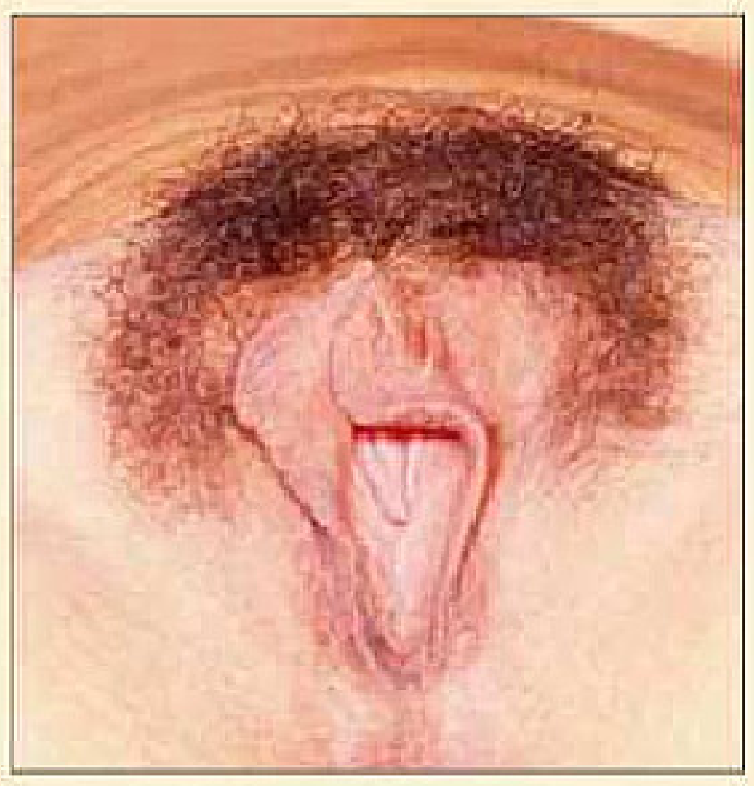
Shaved Clean

And on the other end is the baldie. No hair, and preferably, no stubble. Many women say that sex is more heightened after they have just shaved. Their sensations are heightened. Others say it's so much easier to shave it all off than to style it.



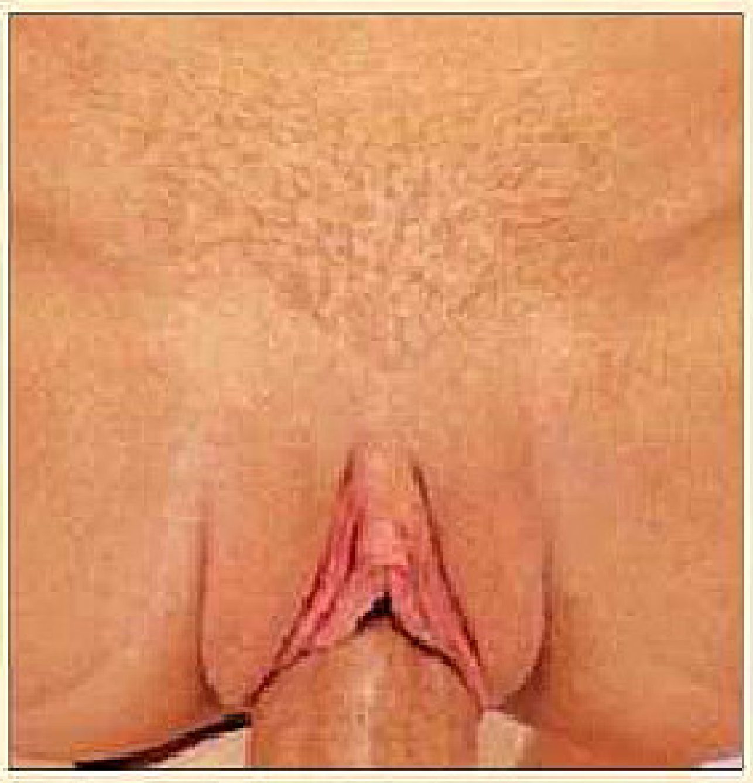
Lightning Bolt

Another adventurous style that also send a message to the her partner. This is a style that is also best done with an assistant so that the shape comes out right. This stye also goes well with tattoos and looks great when blonded.



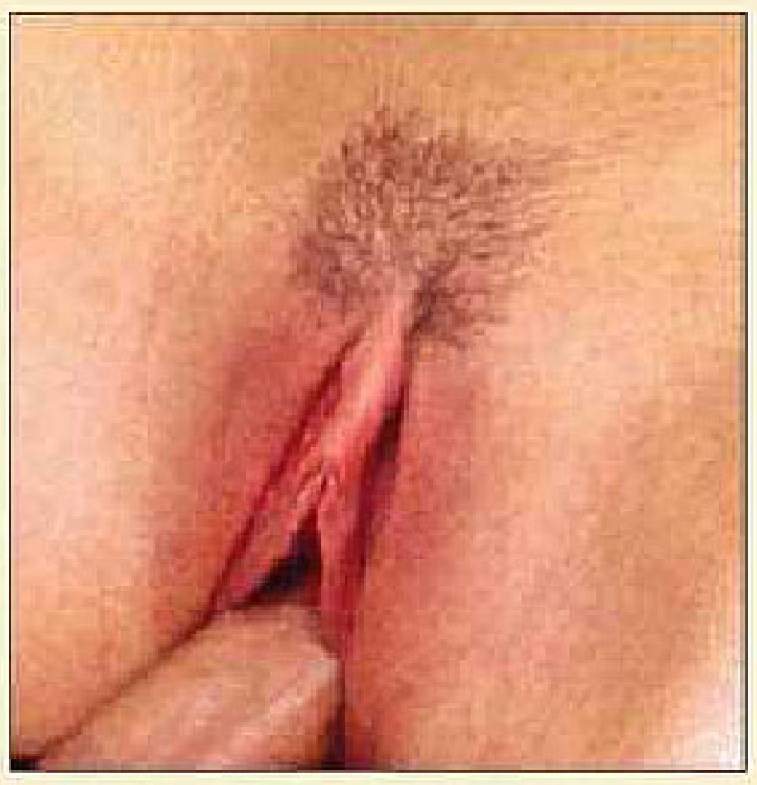
Moustache

This is a fave of your mischievous love. When you're down on her looking up at her, it looks like your sporting a large moustache. Great for a few laughs and then shave it off. Also called the Pancho Sanchez south of the border.



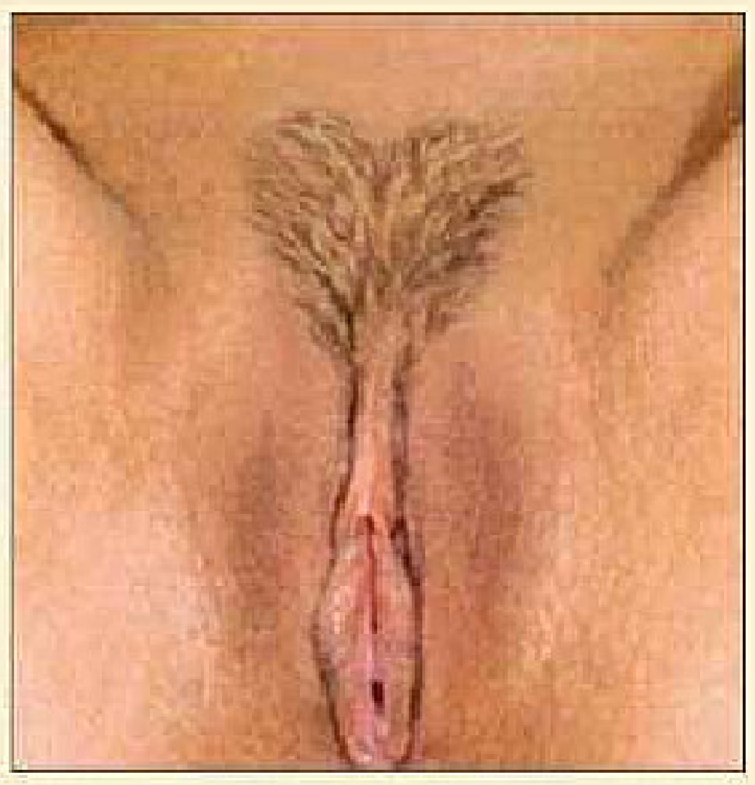
Peach Fuzz

Not really a pubic hair style and not to be confused with five-day growths. Many times a woman will just want to shave it down to a comfortable length where stubble is not a concern. Looks great on light colored or blonde hair.



Postage Stamp

Just a shorter version of the Landing Strip. We have one lady who has an unusual sense of humor - or lovemaking - who tells us she calls hers Little Hitler because the guy down there now has a moustache resembling Die Fuhrer's.



Heart

Another perennial favorite is the heart shape. Not too difficult to do, it sends a powerful message to your lover. It's the aesthetics of the shape, and the sentiment behind every stroke of the razor that gets your loving message across.

Juliet
and two Romeos

Anal Sex?

I love it. I want it.
I gotta have it now.

Those were the words out of Juliet's mouth when she got on set. Unfortunately we told her we needed to warm up with that ordinary sex. You know, blow jobs, straight fucking and then we could get into it.

Reluctantly she agreed and gave us a good ten minutes before grabbing a cock and plunging it into her anus. The rest, as they say, is pure porn. Enjoy!

We bad...
We neglected to introduce the two romeos. Everyone, please say hello to Dick and PCock.

Truly, they are the unsung heroes of this great double penetration. By the way, which one of you guys is Dick?

Some words for Mistress Oralee

To all my fans, I hope you'll keep writing so I can read your sexy letters. I love you guys – Mistress Oralee.

Dear Mistress Oralee,

For the last two years I've been having this problem and although I've sought help for it, nothing seems to be working for me. Perhaps you have some insight that others don't. In brief, I'm attracted to my sleeping wife. I want to rub myself on her and even make love to her while she sleeps.

I have not tried to fuck her yet, but I have touched her breasts and her butt as she sleeps. I have not touched her genitals but have come very close to doing that. Usually I'll just rub or stroke my cock but have not brought myself to orgasm.

This started out quite innocently as we were watching TV and she fell asleep on my lap. I was stroking her hair and shoulders as she fell asleep. While I watched the rest of the movie, I would glance down at her sleeping and fantasize about touching her more deeply. Some nights after we're in bed, I'll pull the sheets off and look at her body and turn on the night light so I can look at her a little better.

One night her nightshirt rode up and her midsection was revealed. I slipped my hand under it and fondled her breasts. At first there was no reaction from her, but as I continued for a few minutes I sensed her become more active so I stopped. Another night she was sleeping on her stomach and I slipped my hand under the waistband of her boxers. I rubbed her cheeks trying not to squeeze them too hard. I pushed a couple of my fingers between her butt crack and almost got to her butt hole but thought the better of it. I think I felt her hips rise as I rubbed her butt, but cannot be sure.

Now I don't know if she realizes I do this. I have never said anything to her about it and she has never said anything about it either, even after I asked her to share her dreams. Do you think I should tell her? How do you think she will take it? I feel I need to confront my situation before I do something I'll regret.

– Randall, NYC

Dear Randall,

I share your pain and I hope you will find resolution. As you probably know, you are suffering from an illness called Somnophilia. It's defined as rubbing the body parts without force when your partner is sleeping. Less clinically it's called the Sleeping Beauty Syndrome. It is a behavioral disorder consists of sexual fantasy, kissing, rubbing and excitement. Sometimes it's caused due to behavioral or psychological problems, but you have not really defined any except to say you're falling deeper into it.

My first piece of advice is the obvious. Think about talking to your spouse. Find a way to bring up the subject delicately. Talk to her openly about it. You'll never know what words of wisdom or compassion may come out. If that fails, then you both should see a behavioral therapist together. Things might come up that are hidden deep and if they surface your problem may just disappear.

– O.

Dear O,

I've been a fan for years and am wondering if you make personal appearances or speeches?

– Ed, NYC

Dear Ed,

I haven't, but I might for you!

– O.

RENNA TOPS THE BILL

To the editors,

I'm writing to tell you how much I liked your issue with Renna on the cover and on the inside, but there were definitely not enough pages of her. What a stunning creature she is. I wish she was somewhere where I could adore her, even from a distance. And the super hot pictorial of Carmella and that guy. Man that was really hot, and she's got a great body and seems like she likes giving head. None of the girls I've dated act this way. Why can't I meet girls like these? Thanks anyway!

HONEYMOON BLUES

Hey you guys,

I know you get all sorts of stories about hot sex, but I've just got to tell someone about mine and I like the letters you've been printing. I have to write this quick because I'm at the office and gotta go soon, but before I forget it, I'm gonna do it.

A month ago we were newlyweds running from the church to a chorus of cheers and rice; then were off to our exotic honeymoon. The next morning we hopped on a plane to Jamaica with the excitement of a week of nothing but beach and sex before starting the rest of our lives together.

We were too exhausted to fuck that night but I had great expectations for the near future. So listen, I get up early with this raging hard on, but Janice, my gorgeous new wife, was already up. She was wearing a baggy sweat suit and her hair pulled back. Maybe she thought that she still looked sexy even in sweats and with no makeup on. Apparently she was out on the veranda exercising and hurt herself! She came over to the bed with a puppy-dog look on her face; big sad eyes and hands on her hips. She told me that she was doing toe touches when her back gave out. I asked if she was okay and she said she needed to lay down because the pain was increasing. That's when my cock's brain took over and I told her that she looked great in sweats and she was turning me on. She sat on the bed and I sat up and grabbed her. At first she pushed me away gently but firmly. "Boy, you are really hard up if you think I'm sexy in my sweats." she said. I was just a little breathless and pulled the covers down to show her my erection. I slipped my hand under her top trying to squeeze her nipple. "Tim, my back hurts, I can't do this now!" she complained, grabbing my hand and pulling it from her breast. I whimpered that this was our honeymoon and reminded her of all the fun sex things we said we would do. She said we would, right after her back got better, but now she had to lay down.

Hot face and a natural flawless body to die for, our members salute Renna. If you haven't seen her layout, go get the issue now! – Ed.

Guys, that's the way it was for three days and I was going out of my mind. She spent everyday in bed or on the veranda staring at the ocean. When I tried to get close to her, she always complained about her back and I went away frustrated. Okay, so the other morning she gave me a quick hand job because I complained so much. After a few strokes I exploded because it was so pent up, and that's why it was a quickie.

Now it's the fourth morning of our honeymoon, only two days left, and I'm desperate. So rather than mope, I ordered a couple bottles of champagne and we sat on the veranda drinking. After polishing off one bottle, she said she felt better and got up pulling me to the bedroom. When we got there, she took off her clothes and got into bed. I went to the bathroom to relieve myself and when I came out she was snoring – naked face down on the bed. I was incredulous and horny as hell.

So, I took some lotion from the bedstand and spread some on her buttcheeks working it into her crack and slipped a finger inside her butthole. Strangely she spread her legs, seemingly to give me better access. As my finger slid in and out, her hips moved encouraging me to go deeper. I think she moaned in frustration when I pulled my finger out. I got up over her on the bed and put my cock in her butt and I could feel her hips rise up to meet it. I started slowly as not to wake her but my hormones kicked in and I started fucking her harder. Soft moaning sounds began to come out her mouth and her hips seemed to stay in my rhythm.

Then after one deep thrust, she seemed to awaken, looked back at me and gave me a sleepy smile. "Hi honey, happy honeymoon." she cooed. "Don't stop!" She worked herself onto her knees, offering her butt to my hot desire. I worked it some more as she reached between her legs and diddled herself into a screaming orgasm. Well as for me, I exploded my frustration deep in her butthole and collapsed on top of her and quickly fell asleep. For the next two days we fucked every minute trying to catch up for the lost time. So in the end, (no pun intended) it turned out to be a great honeymoon after all for the both of us.

SIMONE *and* MAXINE

When this pictorial came into our office, we literally creamed in our collective pants. Now, you understand that we look at thousands of pictures every year and see all sorts of women, but these two are by far the most beautiful sapphos we have ever seen. Either one could be a playmate. And the things that they do to each other are hotter than hot!

We kept our mouth shut to let you enjoy the ladies. There was so much good stuff that it was hard to pick even these pictures. But we did a pretty good job, now the rest is up to you. Have you ever spoken to a beautiful lesbian, and knew she was one? Now's your chance... Ask them anything you want, like – What's it like to be with another beautiful woman? Does she smell as nice as she looks? Did you like your asshole licked? Did you like licking her asshole? All you have to do is call!
